Global Change Education Program (GCEP) Post Summer Workshop

Crown Plaza Hotel

Knoxville, Tennessee

August 15th – 17th, 2010

GCEP

- **Summer Undergraduate Research Experience (SURE).**
SURE involves students at the end of their sophomore or junior years and includes an orientation course and mentored research experience at national laboratories.
- **Graduate Research Environmental Fellowships (GREF).**
GREF supports graduate students in global change research through collaborations between universities and national laboratories.
- The **Marvin L. Wesely Fellowship** is awarded to the GREF who has made the best use of their DOE mentor and facilities in improving the quality of his/her research efforts.
